

Practitioner's Docket No. MPI96-031CP1DV1CPACN2M

U.S.S.N. 10/810,793

REMARKS

An Office communication mailed November 30, 2005 required restriction of the pending claims in the present application to five groups. In response, Applicant hereby elects Group I, claims 7-19, drawn to an antibody, a hybridoma producing the antibody, a method of detecting a kinase by using the antibody and a diagnostic kit comprising the antibody, classified in class 435, subclass 7.4 and 356 and class 530, subclass 387.9. Applicant herein is canceling claims 20-26, drawn to non-elected subject matter. Applicant hereby reserves the right to traverse the above restriction with respect to non-elected Groups II – V claims (canceled claims 20-26) in this or subsequent applications. Claims 7-19 are pending upon entry of this Amendment.

The Specification is being amended to update the references to related applications. No new matter is being added.

Information Disclosure Statement The Examiner requested that the March 30, 2004 Information Disclosure Statement references submitted on forms PTO-892, as cited in applications to which the present application claims priority, be submitted on forms PTO-1449. Herewith, Applicant submits a form PTO/SB/08B listing the references cited on the subject PTO-892 forms and not cited on the previously submitted forms PTO/SB/08B. Consideration of these references along with the other references submitted with the previously filed Information Disclosure Statement is respectfully requested.

This paper is being filed timely as a request for a three month extension of time is filed concurrently herewith. No additional extensions of time are required. In the event any additional extensions of time are necessary, the undersigned hereby authorizes the requisite fees to be charged to Deposit Account No. 501668.

Entry of the remarks made herein is respectfully requested.

30 March 2006

Respectfully submitted,
